#### Additional information:

The Hand Centre at UHCW is rapidly developing. UHCW currently has 4 substantive consultant Orthopaedic hand surgeons and 2 consultant Plastics hand surgeons.

The consultant body have been trained on recognised Fellowship posts such as Birmingham, Oxford and Sheffield. Four of our hand consultants have completed ATP Interface Hand Fellowships and 2 consultants are BSSH/University of Manchester Hand Diplomats.

Specialist Hand Trauma surgery lists occur on DSU at the Coventry site daily Monday-Friday. At weekends and out of hours the on-call General Orthopaedic team and Plastic Surgery On-call team manage the initial care Hand and Wrist emergencies. Patients needing urgent microvascular surgery and soft tissue coverage are managed by the Plastic Surgery On-call Team.

We have developed a Regional Block lead anaesthetic service for Hand and Wrist surgery patients and in collaboration with our anaesthetic colleagues we aim to expand the use of this resource.

The principal clinical supervisor of the Hand and Wrist Fellowship post is Mrs Helen Hedley, Consultant Orthopaedic Hand and Wrist Surgeon. The successful applicant will have opportunity to work alongside all of the Orthopaedic hand surgeons and will also have flexibility to gain experience with our plastic hand surgery colleagues.

The fellowship is offered for 6 or 12 months and is primarily based on the UHCW Coventry site but will also be required to work on the UHCW Rugby Hospital of St Cross site.

The post is intended for a surgeon who has a specialist interest in hand and wrist surgery and will cover a breadth of both elective and traumatic hand and wrist conditions (Congenital hand and Brachial Plexus work NOT included). It is a
